Dear Sir or Madam:

Dominion Retail, Inc. ("Applicant") has this date filed with the Illinois Commerce Commission ("Commission") its application ("Application") for a certificate of service authority to be an alternative retail electric supplier.¹

As noted in the Application, pursuant to §451.60 of 83 Ill. Adm. Code 451, Applicant seeks to obtain confidential and proprietary treatment of Attachment 4 and Exhibits A through D of the Application which contains certain financial information related to Applicant. Specifically, Attachment 4 to the Application is a certification letter signed by G. Scott Hetzer, Senior Vice President and Treasurer of Dominion Resources, Inc. ("DRI") attesting to the accuracy and completeness of the following Attachment 4 exhibits²:

Exhibit A, the "Agreement Regarding The Operation Of, And Participation In, The Dominion System Money Pool" (the "Money Pool Agreement"), dated as of January 3, 2003.;

Exhibit B, DRI's audited financial statements;

Exhibit C, documentation confirming Applicant's average borrowing from the Money Pool Agreement;

Exhibit D, copies of Applicant's unaudited Income Statement and Balance Sheet containing actual data through December 2007.

¹ A copy of this motion is attached to the Application as Attachment A.

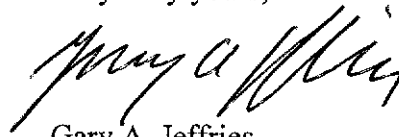

² Confidential treatment of Exhibit E, applicable credit agency reports, is not requested. The same information is also separately included as Attachment 8 to the Application.

Attachment 4 and the Exhibits A through D thereof (the "Confidential Information") each contain financial information relating to Applicant or DRI that is competitively sensitive, confidential and proprietary to Applicant or DRI, or both. Accordingly, Applicant respectfully moves the Commission to enter an order protecting the confidential and proprietary nature of the Confidential Information.

Pursuant to §451.60, the Confidential Information is enclosed herewith under separate seal and is marked as "confidential".
